

Invitation

Evonik Industries AG
Investor Relations

April 13, 2021
3.00 pm CEST

Division Spotlight Series Nutrition & Care

with
Division Head Johann-Caspar Gammelin and
Business Line Heads
Care Solutions, Yann D’Herve
Health Care, Dr. Thomas Riermeier
Animal Nutrition, Dr. Emmanuel Auer

Ladies and gentlemen,

After the successful implementation of our new division structure in 2020, we will take it a step further this year: We will be hosting a "Division Spotlight Series" for our three growth divisions over the first half of 2021.

This fully virtual format for financial analysts & investors starts with the division **Nutrition & Care on April 13 at 3.00 pm CEST** and is scheduled for approximately 1.5 hours.

The divisional management team will give you further insights into their division and will present the growth strategy and the most attractive growth areas.

The presentations will be followed by a Q&A session. You can place your questions anytime during this event via chat.

The registration is already open. Please register under the following link:

<https://webcast.framework.techcast.com/en/evonik/division-spotlight-series-nutrition-care>

Once you have registered, you will receive a confirmation via email including a link that leads you directly to the webcast. This is more convenient for you, as no additional log-in is necessary on the division day itself.

The presentation and documents for the event will be available on April 13 at 2.30 pm CEST (i.e. 30 minutes ahead of the event) on the IR website.

Just as a reminder: The next "Division Spotlights" will follow on June 24 for Smart Materials and on July 1 for Specialty Additives.

We are looking forward to welcome you.

Sincerely,

Evonik Investor Relations
