Capital Markets Day 2020

Ladies and Gentlemen,

In light of the evolving COVID-19 situation, our top priority is the health and safety of our colleagues as well as of you, our investors and analysts. We have therefore taken the decision to postpone our Capital Markets Day.

Instead of an in-person meeting in London on April 1st 2020, we will now combine the Capital Markets Day with our Q1 reporting on May 7th. We will host a Conference Call and subsequent Q&A session at 11.00 a.m. CET (10.00 a.m. GMT). The first part of the call will focus on the Q1 results, the second part on the strategic update and our new divisional structure.

All presentations will be available at 07.00 a.m. CET on the IR website.

Thank you for your understanding and we are looking forward to virtually meeting you on May 7th!

Sincerely,

Evonik Industries AG
